The Coronavirus (COVID-19) outbreak has caused our Governor to issue many new mandates regarding community events. Based on his mandate, the Sandusky County Courts #1 & #2 are taking precautions for the safety of our community. Starting immediately, we are asking the public to be cautious - if you are feeling ill or have been around anyone that is currently ill please do not come into the buildings. The Sandusky County Courts #1 & #2 will be granting continuances due to illness on a case-by-case basis. If you need to request a continuance due to illness, please contact the court immediately.

This is an evolving situation with new information coming out daily. We will be updating this policy as issues arise.

Judge John P. Kolesar
Administrative and Presiding Judge
